- Battery can be charged with either the power adapter or USB cable
- Include TWAIN/ISIS driver
- Easy to use "one button" scanning
- Maximum document size: 8.5" x 11.7"
- Optical resolution: 600 dpi
- Battery durability: 200 pages (A4, Color, 300 dpi)
- TWAIN driver provides auto color detection, auto crop, deskew and thresholding image-enhancing features
- Scan to iPad or SmartPhone which supports Android 2.2 & Symbian S60

A Portable and Versatile Scanner

The Avision IS25 is a portable and versatile scanner designed to meet a variety of your scanning tasks. The scanner offers flexibility to start instant scans as long as paper is inserted without a computer or you may try advanced scans through a TWAIN-compliant application by connecting the scanner to a computer.

Powered by a rechargeable Li-Ion battery, the scanner is cordless and easy to travel with. By switching to the "SD/Flash" mode, you can start instant scans when a page is inserted and saved the images to an inserted microSDTM card or a USB flash drive in JPEG, PDF, or TIFF file format. Since no computer is required to scan, you can carry the scanner to anywhere and digitize your document, article, brochures, expense receipts, photos, business cards, and plastic ID cards anytime, no matter where you are!

What is best, the battery can be charged either through the USB cable connecting to a computer or through a power adapter when a computer is not available!

For advanced users who wish to control scan settings and obtain the best image quality, the Avision's IS25 provides an option to switch to "PC" mode and connect it to a computer via a USB cable and start scans via Avision's advanced TWAIN user interface from TWAIN-compliant software application. Avision's TWAIN user interface provides various useful features to enhance your image quality including auto crop and deskew, auto color detection, color matching, color dropout and so on.

In a word, the Avision IS25 is a compact scanner with maximum value and performance. It is an easy-to-use portable scanner for first-time users and a high-quality image scanner for business professionals alike.

Scan to iPad or SmartPhone (OS: Android 2.2 & Symbian S60)

Avision IS25 allows you to scan images to iPad through Apple® Camera Connection Kit(not included) or SmartPhone using the USB cable that comes with the phone.

What we have bundled

The Avision IS25 scanner comes with everything you need to scan, straight out of the box, and includes a powerful suite of scanning software such as TWAIN and ISIS scanner driver, Button Manager, and AVScan V5..

Avision Intelligent Scanner IS25

Avision's Button Manager

Completes your scan in a single step

The Button Manager main screen

Avision Capture Tool

The Capture Tool main screen

Avision TWAIN Driver

The TWAIN main screen

Avision's Button Manager, enables you to complete complex scanning task in just a single step. When the button is pressed, the scanner automatically scans your documents and converts them to a highly compressed file format, or other image formats, and then sends the file to a designated folder, or other destination applications such as e-mail, printer, or your favorable software application. The original step-by-step procedure is replaced with only a single touch of the button.

To verify if your scanner installation is correct and perform simple scan, Avision provides you a useful program called Avision Capture Tool. With this tool, you can perform simple scans and view the captured images. In addition, it helps you complete your scan at a rated speed.

For easy installation, the program is built-in together with the scanner driver. Users simply install the scanner driver, and the Avision Capture Tool can be installed onto the computer.

Avision's easy-to-use TWAIN driver provides various useful features to enhance your image quality and improve your productivity.

- Multi-stream
- Binarization - Dynamic Threshold
- Color Matching
- Color Drop Out
- Blank Page Removal
- Auto Rotate
- Invert / Mirror
- Cropping - Automatic and more...

Avision Intelligent Scanner IS25 Specifications

Paper Feeding:	Front
Scanning Technology:	Contact Image Sensor (CIS)
Document Size:	Max. 216 mm x 297 mm (8.5 in x 11.7 in) Min. 64 mm x 64 mm (2 in x 2 in)
ID card thickness:	Up to 1.25 mm
Paper Thickness:	34~127 g/m ² (9~34 lbs)
Scanning Speed: (Color, A4, 300 dpi)	12 sec. per page
Optical Resolution:	600 dpi
Output Resolution:	75, 100, 150, 200, 300, 400 and 600 dpi
Output Formats:	B/W, greyscale, 24-bit color
Storage device support:	SD / SDHC / USB Drive (Host)
Bundled Software:	Button Manager,
Interface/Drivers	USB 2.0 / TWAIN,ISIS
Power Supply:	CNP-120 (3.7V, 1700mA) Adapter (5Vdc, 2.0A)
Power Consumption:	<2.5 W
Environmental Factors:	Operating temperature: 10°C to 35°C (50°F to 95°F) Operating humidity: 10% to 85%
Acoustical Noise:	Standby: <45 dB Operating: <50 dB
Dimensions (W x D x H):	290 mm x 68 mm x 51 mm (11.4 in x 2.7 in x 2 in)
Weight:	0.7 kg (1.55 lbs)
Recommended Daily Scanning Volume:	100 pages
Battery Durability:	200 pages (A4, color, 300 dpi)

System Requirements

- Pentium 4 or higher
- Windows®XP/2000/Vista/7
- 128MB RAM (256MB RAM for Windows XP)
- CD-ROM drive
- USB port

Contents

- IS25 (battery included)
- USB Y Cable
- Quick Guide
- Calibration Chart
- Cleaning Swab
- Adapter
- CD-ROM includes:
 - Scanner Driver
 - (TWAIN/ISIS Driver)
 - Avision Button Manager
